July 2010 Newsletter

Welcome...

Hello and welcome to the July edition of the monthly newsletter. It was a quiet month on the win front with the sole win coming from **Hurricane Mickey**. There were some great debuts with **Mackadoo** a very promising 2nd and **Lady Kipling** a very good 3rd and both will be exciting prospects in the 3yo races next year. **Miss Andrea** and **Handsome** (pictured with shadow roll) both showed that they will be winning soon after a good 3rd and 2nd on resuming. **Harvest The Gold** will be targeting a feature jumps win this weekend at Hawkes Bay in his first start over the hurdles since winning the K S Browne hurdle last year. Many of the Spring prospects have returned to the stable and many more are due back in the next few weeks. We have also had a number of yearlings in for some education and it is always exciting to see the new horses arrive in for the first time and see how they settle into the routine.

Hurricane Mickey A Model Of Consistency

Hurricane Mickey won his 6th race in a 17 race career at Ellerslie on the 19th of June. He has since followed the win up with a fine 2nd at Tauranga – a stakes race in the near future is not off his radar. Congratulations to the connections, David Mossman, Rupert Ryan & Tommy Winiata on a great win and hopefully many more to come. The son of D'Cash is only getting better after each start.

Many Horses Return after Break

Many of the Spring hopes have returned to the stable. **Harris Tweed** is back and will once again be on the Melbourne cups campaign. Other stakes performers which have returned include **Alagant Satin** (pink bridle), **Bakup**, **Lion Tamer**, **Twoeezy** and **Twilight Savings** (with best friend and fellow blonde, **Sophia**).

On a sad note, **Vickezzchardonnay**, has been retired to stud. **Vickezzchardonnay** is pictured here enjoying the Gold Coast. **Vickezzchardonnay** retires as a Group 3 winner after winning the Taranaki Cup. She was placed in the NZ, Wellington and Auckland Cups last year, not having much luck in more than one of those. The laid back grey daughter of Don Eduardo will be missed around the stable but we will watch her future progeny with interest.
